WHO ARE WE

Casual Riders Riyadh was established in **2025** by a group of friends brought together by one simple passion — riding motorcycles casually, safely, and freely.

We are **not a motorcycle club**, and we are **not trying to be one**. We are not driven by politics, status, or unnecessary drama. We are simply riders who enjoy the road, the machines, the sound of the exhaust, and the moments shared together.

What connects us is the **passion for two wheels and motorsports**. Whether it is a short city ride, a highway cruise, a mountain route, or a coffee stop, every ride is about freedom, brotherhood, and enjoying the experience together.

At Casual Riders, **every rider is welcomed** with respect, regardless of experience level, motorcycle category, or brand.

WHY ARE WE DIFFERENT

What makes Casual Riders different is our simplicity. We are built around genuine riding culture — not hierarchy, politics, or exclusivity. We believe riding should remain enjoyable, relaxed, and stress-free.

WE FOCUS ON:

BROTHERHOOD
over titles

RESPECT
over ego

SAFETY
over showing off

ENTERTAINMENT
over competition

PASSION
over everything

There are no brand wars, no CC discrimination, and no pressure to fit a specific riding style. Whether you ride daily or occasionally, whether you are experienced or new to the road, you are treated as part of the family.

— WE RIDE TOGETHER BECAUSE WE ENJOY IT — SIMPLE AS THAT. —

OUR BIKES

At Casual Riders, we are completely **bike agnostic**. We believe every motorcycle has its own identity, personality, and riding experience. What matters is not what you ride — but the **passion** behind it.

ALL MOTORCYCLE CATEGORIES ARE WELCOMED

ALL BRANDS ARE RESPECTED AND WELCOMED

— WHETHER YOU RIDE A **250CC** OR A **1300CC+**, YOU ARE EQUALLY PART OF THE RIDE. —
— **RESPECT EVERY RIDER.** —

OUR VALUES
